

15 Seconds Is All It Takes to End Any Argument Against the Wall

- It's Too Expensive?
- Walls Don't Work?
- It Makes The US Unwelcoming?
- I Hate Donald Trump!

Regardless of the argument being made, YOUR response is very easy:

“We have murderers and rapists that we deport two, three, four times or more. What is your solution to keep them out?”

Then: SHUT UP

Their first reaction will be:
"It's Not True".

Deciderio Vargas-Ortiz, 52, was arrested for murder. He was deported 8 Times and re-entered the USA at least 8 times.

Hector Gustavo Montoya, is a member of the dangerous 18th Street gang in Los Angeles. He has been deported 10 times, which means he walked across the non-existent border at least 10 times..

Garcia-Zarate, who shot Kate Steinle was deported five times.

Ask your liberal- Why were they able to re-enter the USA? How much is a human life worth to you?

Gustavo Garcia's went on a shooting rampage. He had been deported 2 times previously.

Gonzalo “El Chano” Juarez-Limon, was wanted in Mexico for murder. He was deported 6 times.

Ask them why they have no problem with mothers burying their children? Why they want criminals to endanger THEIR CHILDREN, just because they hate Donald Trump.

And just this week we were lucky that authorities arrested Wilfredo Perez-Aguila He was convicted of raping a 4 year old and deported. He was back in the USA, probably looking for another child to hurt.

Mr. / Ms. Liberal “You have BLOOD ON YOUR HANDS.
