I am on a cruise, so I am repeating some my more popular questions. Only take 30 seconds to read.

Q1) On vacation in a foreign country, you have been taken hostage by an extremist group. President Trump is negotiating your safe return. Which Democrat would you replace him with?

Response to: Trump Mistreats Women:

Q2) Since he has been president, what has he done that hurts women?

Response to: "A Fetus Is Only a Clump of Cells "Argument

Q3) You have been carrying twins for 6 months. Your OB says YOU must abort one, so the other can live. Which one do YOU choose?

(Tip- ask the question, then shut up. Keep it personal. Make it realistic- make them imagine 6 months of pregnancy. They must make the decision for themselves..)

Response to: Trump is a Racist:

Q4) Which would prefer: A racist whose policies help people of color, or a brother whose policies hurt minorities?

Background: The biggest racist in our lifetimes was LBJ. Yet he is loved, because of his policies, including Civil Rights Act and the Voting Rights Act and putting Thurgood Marshall on the Supreme Court> Compare this to Barack Obama's legacy?
