

Quick Questions From Alan

Alan J. Huber

Conclusions are not facts

When talking with a liberal we are quick to say “state your facts”

Sometimes we forget, exactly what is a fact?

“Trump has created record economy” ... Is not a fact....it is a conclusion

“Trump is the best president in our lifetime” is not a fact it is an opinion even if true

Trump has record high stock market.... **FACT**

Trump has record low unemployment... **FACT**

There is an increase in middle-class wages.... **FACT**

No American city is burning down due to racial tensions..... **FACT**

So when they say Trump is a: racist, misogynist, xenophobic, homophobe, Hitler and whatever, simply respond with:

“Those are conclusions.... What are your facts?”
