Quick Q&A from Alan that takes only 30 seconds to read

Q1) Trump’s economy is great only because of Obama.

Reply: Then why would you want to change it if it works?

Background.....None of the other candidates want to keep Obama’s economy growing.

Q2) If Obama was as bad as Trump, the Republican controlled House would have impeached him?

Reply: The Republican majority did not impeach Obama because they love this country, and understood that a flimsy impeachment would destroy America. Can we assume that the Democrats do not love this country?

Q3) Trump said he knows more than the General’s. How can he be so arrogant, never having served in the military?

Reply: Why do the Generals think they know more about negotiating than the world’s greatest negotiator?

Background.....Trump does not tell the Generals how to execute a military plan. However, Generals negotiate with world leaders and discuss costs and budgets. NO question Trump is better.

Q4) Why doesn’t Trump believe in climate change?

Reply: Why won’t the climate alarmists propose solutions that have a chance of working and not destroy our economy and way of life?
