

Trump responses to freeze liberals

This has been a fun week to make liberals nuts.

Always experimenting, I have a new response to:

“Are you a Trump supporter?”

My new answer is:

“I support Pres. Trump when he is right and I oppose him when he is wrong”

This response stops time as they don't know what to do next.

They are afraid to discuss issues and any answer they give, puts them in a conversation about issues.

Them: “I would not agree with that racist bastard on anything.”

Me: **“So you want to see more people un-employed?”**

or

“You want hard working people to lose their savings in the stock market?”

or

“You want young men to die to protect Arab oil?”

I'm sure you now get the picture. I was talking to a group of seniors and heard: “Anybody Democrat is better than Trump”

ME: “How much can they cut your Social Security check before it hurts?”

THEM: “I can't afford any cut. It's not enough as it is” (every senior says the same thing)

ME: **“Then you should pray that Trump stays president, because every Democrat will cut your Social Security.”**

THEM: “They don't say that”

ME: “Look around the room. You are 82 many here are 90+. You know Social Security was set up for most people to die at age 75. Since seniors are living much longer than expected, growing the wage base is the only way to guarantee your retirement checks continue”

“Which Democrat will grow the wage base so you continue to receive your retirement checks”
