Today I'm just asking questions that you can ask liberals and simply wait for the response:

Q1) Why do you follow celebrities who tweet support for protesters and rioters, then pass laws to keep them out of Beverly Hills?

[Background-Beverly Hills passed a series of laws to make it almost impossible to protest. The rich and famous think it's okay to burn down YOUR neighborhood, but not theirs.]

Q2) What reason other than blatant anti-Semitism allows the Mayor of New York City to threaten to arrest a few hundred Jews at an outdoor funeral, but 100,000 people at a "black-trans" rally is okay?

Q3) Why did the celebrities donate \$20 million to bail rioters out of jail, but ZERO to rebuild the black communities that were destroyed?

Q4) List the reasons businesses should rush to rebuild in the black neighborhoods they were looted and burned to the ground?
