

## **When Will Republican Politicians Understand Their Voters?**

Dear Republican Senators and Congress-Persons. The reason you do not vote as one like the Democrats, is because you do not understand a simple concept about Rush Limbaugh (32 years) and Donald Trump (5 years).

We do not support Trump and Limbaugh because **“WE AGREE WITH THEM”** We support Trump and Limbaugh because **“THEY AGREE WITH US”**

If Republican leadership can understand this one basic fact, they would stop being at war with their voters

7 senators voting for impeachment and Mitch McConnell (“The Turtle” as Limbaugh calls him) then makes an anti-Trump speech.

73 million votes, a pickup of House seats and the Republican leadership still has no idea who we are?

Sen. Cassidy: **“Republicans want a leader they can trust.”**

Senator, we trust Donald Trump because he kept his promises to US, his voters. How many campaign promises to the voters not the donors, did you keep?

Mitch..... Do you need absolute proof that the cause of the riots was not Trump spreading The Big Lie: “The election was stolen”

Trump supporters knew there were problems on election night. We used social media to pass information. We saw how Florida in Palm Beach and Broward Counties ran smoothly when the corrupt Democrat Supervisor of Elections were replaced by honest people. There were no problems.

Then they throw everyone out of Georgia? Same with Philadelphia? We knew irregularities would occur when the Democrats pushed vote by mail all over the country.

So Donald Trump did not feed us The Big Lie. We saw with our own eyes and watched the media cover it up and sweep it under the rug.

In 2008, in Philadelphia the New Black Panther Party engaged in voter intimidation. In 2009 the DOJ moved for an injunction to stop it in the future. Obama’s Attorney General, squashed that investigation.

You may have forgotten, but Trump supporters did not forget..

As a leader you should have gotten your fellow Republicans to vote as one like the Democrats. You are not representing Trump, you are representing Trump voters, who also voted for all the Republican Senators. No Senator could keep their seat without the support of the Trump voter

**PS- did you read Time Magazine? We are not crazy.**
