

## **Rittenhouse - Prosecution Tossed Gun Charge, Not Judge.**

**By: Alan J. Huber

Liberals are still hanging on to the belief that Rittenhouse was guilty of illegal gun possession by a minor and the unfair judge tossed out the misdemeanor count to keep Rittenhouse from being convicted of something.

Some even believe that the prosecution will appeal the judge's decision.

Let's look at a simple little fact that even the majority of my readers and all MSM viewers may have missed.

The judge had a defense motion to dismiss the gun charge. The judge asked the prosecutor if the gun was legal, under the law charged. The prosecution said "YES, it's legal". Thus the judge dismissed the charge BECAUSE prosecutors said "GUN WAS LEGAL."

See for yourself [click here](#)

**Judge:** "Is it legal?"

**Prosecutor:** "It is not a short-barreled shotgun or a short-barreled rifle. YES"

**Judge:** "Either by barrel or by overall length?"

**Prosecutor:** "Correct"

**Judge:** "Count 6 is dismissed"

**Another popular refrain:** "No black man would've gotten the same result."

**Ask the obvious:** "Would a black man have been charged and forced to trial?"

**Then ask:** "How many charges against Blacks were prosecuted after the George Floyd riots?"

**Continue:** "Did January 6th teach that only whites get arrested and prosecuted to the fullest extent of government?"

Don't say a word, they have no idea how to respond.

One of the reasons I push Republicans so hard to make strong focused arguments, is because we are heading for a day of reckoning.

We will do very well in 2022 midterms, and 2024 have a chance at HUGE House majority, 60 votes in the Senate and the White House.

But our people will have to make a very difficult decision. We will have to decide whether the man that truly was the best president America ever had, is the best candidate for president in 2024.

**Example:** In Virginia, Donald Trump and Joe Biden have 56% negative approvals.

**If you asked the voters who disapproved of Biden:**

"On a scale of 1-10 how much do you hate Joe Biden?"

The answer would be 5. They will agree he is incompetent, but it is not hate.

**Ask the anti-Trumper's:**

"On a scale of 1-10 how much do you hate Donald Trump?"

**The answer will be 30.**

Because of this, our side has to get very good at handicapping elections as opposed to cheerleading.

The decision will have to be logical and not emotional and this will be very difficult.

Next week I will use a special election for Alcee Hastings seat, in Florida's 20th congressional district which will be held January 11th, as an example in: "How to handicap a race."

I have caught lots of heat for frequently stating that Lin Wood is dangerous. He cost us 2 GA Senate Seats telling Republicans NOT TO VOTE.

Watch Kyle Rittenhouse's interview w/ Tucker Carlson. Kyle proves my point.

Wishing you all a happy Thanksgiving, with safe travels and no masks
