

Americans Are So Broke They Are Returning Pets

According to Yahoo Money, inflation is so bad that Americans are surrendering their pets to animal shelters because they can no longer care for them.

Imagine the heartbreak the children must feel when mommy says "say goodbye to fluffy."

Imagine how the parents feel knowing that the children were heartbroken and a beloved pet will be traumatized, and may never be adopted.

The incompetence of Biden and Harris really hits home.

With a brand-new disease Donald Trump had a vaccine in 9 months.

Joe Biden has been president for 18 months and is still using the Trump vaccine which does not work against Omicron.

Another example of how Democrats cannot fix anything

Joe Biden believes he will negotiate a nuclear deal with Iran, that will keep the world safe.

If only his administration could point to one thing they did that was successful, we might believe them.

People forget that Bill Clinton was such a disaster his first 2 years. The midterms saw voters give control of the Congress to the Republicans for the first time in 40 years..

After this, Bill Clinton turned into a moderate, which crafted his legacy.

Maybe Joe Biden will follow Bill Clinton's path?

I just watched a local candidate get blown up by a newspaper editorial endorsing her opponent.

They made a big deal over her saying that Donald Trump won the 2020 election. When you are running in a blue district and the media is controlled by liberals, and the office that you seek has no jurisdiction in elections, DON'T take the bait.

Candidates, when you're given a question, you do not have to answer it. A simple: "Your question has nothing to do with the position I am seeking," will be the end of it, if you stop talking.

When somebody mentions January 6th, say you are happy to discuss it after the other side gets to make its' case in January 2023.

They will have no idea what you're talking about, but that is when the Republican controlled Congress will ask questions and depose witnesses that the Democrats will not.

And the best part?

Democrats will not be allowed to ask questions or participate because they already had their turn. In DC payback is hell.

A simple example to use to prove Democrat policies are idiotic.

A transgender woman, (meaning she had a penis) was put in a woman's prison, where she knocked up 2 female inmates.

Do I need to say more?

Look for me at the Sunshine Summit in Fort Lauderdale this Friday and Saturday. I'll be wearing my blue jacket, that you can see in the picture below.
