

## About My Time in Israel

Our cruise ended in Israel, and we spent 9 days in the most incredible place on earth. Since I do not live in Israel, I will not comment on Israeli politics. Just sharing some random thoughts.

If you follow the MSM, you have an opinion of Israel that is not realistic. About a month before our cruise, the media ran the headline: **“Israel at brink of civil war.”**

Many people going on the cruise were in a panic based on the media headlines. **“Civil War”** conjures up images of Syria, Iraq, Sudan, Afghanistan etc.

Civil War in Israel meant the sides will call each other harsher names.

A real Civil War cannot be stopped by the Prime Minister saying: **“Okay, we send it back to committee for renegotiation.”** But that is exactly what ended the so-called: **“Civil War”** in Israel.

Key difference between Israel and the United States? If the United States was attacked, **30%+** of Americans will hope the U.S. loses.

Because of mandatory military service as well as understanding that if they lose a war they will lose their country, Israel unites when attacked.

**“Was it safe? I get asked. I feel Israel is the safest place in the world. The other day, 9 people were shot on the Hollywood Florida Boardwalk, 30 minutes from my home. That did not happen in Israel.**

### **What about the Arabs and Jews hating each other?**

Our first hotel we were checked in by a Jewish desk clerk. She gave us the room key. The next hotel was an Arab desk clerk. He gave us the room key also. We called a taxi and the driver was Arab. He drove us where we wanted to go. To return to the hotel the driver was Jewish. He drove us to the hotel.

### **I will end with the Jewish prayer for peace:**

Oseh shalom bimromav  
Hu ya'aseh shalom aleinu  
V'al kol Yisrael V'imru Amen.

**May the one who makes peace in the heavens, make peace for us and all the people Israel.**

**AMEN**

It made no difference if the waiter or restaurant owner was Jewish or Arab. We ate and enjoyed.

That does not mean that there are not issues. It does mean that on a day-to-day basis they are able to make it work.

Rosh Hanikra is by the Lebanese border. Beautiful grottos, carved out by water over centuries. School buses with Arab students and Jewish students let out at the Welcome Center. And what happens when they run into each other? **NOTHING!!**

Yad Vashem is the Holocaust Memorial Museum in Jerusalem. Before the war there were **3,300,000** Polish Jews. After the gas chambers, there were **300,000** Polish Jews. When you hear the stories of the Warsaw Ghetto Uprising, where Hitler wanted the Ghetto emptied in 3 days and a bunch of starving young Jews with old pistols fought the German army for a month, you realize how precious the Second Amendment is. The fact that U.S. Jews are leading the charge for gun control is a crime against humanity.

The leaders and fighters of the Warsaw Ghetto including my grandfather's brother: **“Uncle Zurich”** knew they were going to die at the end, but they would do as much damage to the Germans as possible. Their bravery spurred the Resistance and their stories live on.

**Dear Anti-Zionist:** You cannot support the native population of any country and be against the Jews in Israel because the Jews are the native population.

A 10.5 foot tall by 6 foot stone tablet in the Cairo Museum is 3200 years old (**1200 years before Jesus**) and the inscription mentions **“Israel.”** Not Palestine, but Israel.

**See the video for yourself:** This is the oldest mention of Israel outside of the Bible. The Jewish people are indigenous to The Land of Israel.
