

Who are the Delusionals?

I have never seen Democrats and Republicans so happy.

Republicans: "The more they indict Trump the better he does in the primaries. This is great."

Democrats: I can't believe the Republicans are going to nominate Donald Trump. This is better than Covid."

I think it is a bad idea to let the Democrats pick the Republican nominee, but the Republicans have their hearts set on it.

Last week there was some confusion. My column was a compilation of things former Trump supporters are saying on social media. Many readers thought they were my statements and were very angry. The next day I sent out a correction, just clarifying that I copied and pasted from the Internet.

I received feedback and want to comment.

T-24 – Supports Trump 2024

NT-24 - No Trump in 2024

T-24 If Trump wins the primary you have to support him. Majority rules.

NT-24: If the majority does not respect the rights of the minority, then the minority can use any tool necessary to thwart the majority. If you don't engage in debate. If you block the minority on social media, if you refuse to answer any questions, then when the general election comes, don't expect the minority to be on your side.

T-24: If Trump is not the nominee I will not vote.

NT-24: If Trump is the nominee I will not vote. Now what do we do?

T-24 Donald Trump knows how to win.

NT-24: That would have more credibility if he did not lose 2018, 2020, 2021, 2022, 2023

T-24: Trump won the 2020 election.

NT-24: Then why is Donald Trump not in the White House?

I started "One Minute Issue" around 2017 because Republicans are bad at messaging.

I found an example of tone deaf messaging by an entire industry.

"Dentists"..... Their messaging is they understand your fear of dentists is a result of pain. I don't believe that is the case. Walk into a dentist office with a cracked tooth and you leave with a cracked tooth and a proposal for \$20,000 to replace everything in your mouth.

In my 55 plus community, dental proposals are a very common conversation in the community pools. Maybe the messaging should read: "Honest Dentist.... I will tell you the truth ALWAYS"

This is what drives the fear of dentists and is not addressed by the industry.

Winning should be easy. the Democrats are: Anti-America, Anti-capitalist, pro transiting of children, Anti- Christian, Anti- First Amendment and Anti-constitution.

And what are this weeks headlines? Trump raises \$1 million for Rudy Giuliani. Peter Navarro convicted. Mark Meadows loses bid to go to federal court.

What will change between now and November 2024 so that the headline is about corrupt Joe Biden who cannot handle the job of president of the United States?

President Trump spent 4 years courting the black community. Creating programs for the black community. Jobs for the black community. The polls before the election showed massive movement of blacks to Donald Trump.

Friday starts the holiday of Rosh Hashanah the Jewish New Year. To those that celebrate I wish you: "L'Shana Tovah Tikatevu," which means, "May you be inscribed for a good year,"
