Republicans Elect Mikey Speaker of the House

Some of my readers are overjoyed, we have a true Conservative. Now things will be different.

What are his qualifications...."Nobody Hates Him"

Truth be told, he has been training for this position since he was a child.

Many on social media have said "Great new Speaker. Now let's win the House and Senate."

One question..... The old Speaker raised \$500 million. The new guy raised \$1.2 million.

How much are you willing to pay to see him?

in all seriousness in these unprecedented times, we ask the Almighty to bless the Speaker and guide him to the right decisions.

When Liberals talk about rape culture, attack them, because they support the raping and beheading of babies. They never believed in rape culture, they just want to be victims.

What Pres. Trump needs to do to win the White House?

Very simple...."STFU" Stop talking about his court cases. Go on national TV and apologize to the judges for your outbursts. State that you will no longer comment on the court cases, that will be a job for your lawyers. You will focus on national politics to try to save the world from the evil that has befallen it.

Furthermore tell America you will no longer discuss the 2020 election. 2024 is too important and we must look forward.

And then make your case that the world is heading for a nuclear war, and only you can stop it. Four (4) years of world peace because everyone was afraid to cross you.

Then apologize to the governor and the citizens of Georgia, and ask them to pass a law making your persecution null and void. Again the message is that if Trump is on trial, what happened in Israel will happen across America. Joe Biden has already allowed the terrorists to enter.

Take responsibility for the documents, and ask the citizens to ask Congress to pass a law ending your federal cases.

No one can stop you from jury tampering by saying that if you are convicted, terrorism will show its ugly face all over America. Make the jury afraid to convict you, because they may die if you are not elected POTUS.

Don't let up from that message. The Jews are scared.

In 2020 I told a close family member, "You don't understand. You are on the wrong side. Your gay card will not protect you from your Jewish card."

He did not understand what I was saying. Watching his friends join anti-Semites in protest against Israel and pro-Hamas, he now gets it.

Donald, the New York Jews with money that hated you can be brought back into the fold if you lose the attitude and humble yourself.

You lost 2020 because of your mouth and your tweets. They loved your policies, they could not look past your personality.

Up until now, it has been about becoming president again. Maybe you win, maybe you lose.

Joe Biden's weakness has accelerated the timetable of our enemies and they are looking to attack all over the world. If you truly love America, then you will take the simple steps I outlined here, and present a new more humble Trump. Then you become the 47th President United States and save the world.

But if you keep yelling at the judges, they will put you in jail (house arrest) take your businesses away, and destroy your family.

I took off work for 3 months in 2020 to get you elected. I coordinated the GOTV effort for Palm Beach County. I also stated that you would lose because you told your voters not to vote by mail.

You're the best president we ever had, and you can save the world.

BUT, only if you present yourself as a changed man.
