The bipartisan Senate Border Bill has lost McConnell and Lankford, the negotiators.

This bill will not make it out of the Senate. What happened? Engaged Republicans don't listen to political leaders. They actually read the bill and realize it does nothing to secure the border.

There are some positives, which are exceeded by the many negatives including we don't trust Joe Biden.

Donald Trump closed the borders with "Remain in Mexico" and Biden can do the same.

Immigration is the 2nd split in the Democratic Party next to Israel, and Republicans should keep their hands off, leaving Democrats to face the voters.

When the House passed a \$14 Billion Israel a bill with the offset to reduce IRS funding, I wrote that it will be dead in the Senate. The House will then rewrite the bill stripping out the poison pill, forcing the Senate to take a very tough vote which they will have to pass or else they will side with Hamas

The \$17 Billion standalone solution for Israel should pass the House this week.

Why did Israel bomb so many residential buildings?

Because in Gaza almost every other home or business has weapons or rockets.

One of my loyal readers asked: "Why am I against the flotillas?" I wrote that the leftist media uses the flotillas to show the disconnect between Trump's yacht riding supporters and working people. My loyal reader responded that Trump was better with connecting to the working man than any other candidate in history.

Let's look at a simple fact. In 2016 Hillary Clinton won the union vote by 8%. In 2020 Biden won it by 17%. The perception and the reality does not match.

Since Roe was overturned, Republicans get their ass handed to them in every election. America does not want an abortion ban. The Right To Lifer's demand loyalty from Republican candidates. This is a formula for disaster for the Republicans.

Dear Donald: You have to give a clarifying position on January 6th defendant's. Keep it simple: "If they attacked a police officer or did property damage they will serve the full punishment. If they simply walked around the capital taking pictures and being in the wrong place....They will get pardoned .

How Trump should handle sexual assault defamation jury award? A jury has handed down an award for a 30-year-old incident that I claim never happened and the evidence agrees. We will appeal and let the system work. even after 30 years. However after four months American hostages are still being held in Gaza, being raped and tortured while Joe Biden is telling Israel not to search so hard to rescue them.

The media cares more about a 30-year-old lie, then Americans being raped and tortured today.

Why do college students say "I believe" in making any claim? Because you have the right to believe anything. Facts? Those have to be defended.

Young Democrats in Michigan refer to Biden as: "Genocide Joe." They want him to support the terrorist animals instead of Israel. If Biden were not on life support, he would realize that these voters will never vote for Trump and just ignore them. We know he's not that smart.

New York City is giving illegals \$53 million. Approximately \$1000 per month by debit card for a family of four. This is in addition to paying for the hotel rooms.

Simple slogan: "I'm an American..... Where's my \$12,000 cash card?"

America is truly the land of opportunity. If you desire, it can happen. Ben Shapiro the 5 foot 9 Jewish boy in a yarmulke, is iTunes #1 Rapper.

Just google it, I'm not going to explain it, but it is:

A) Accurate

B) Hilarious

Remember when I I wrote that one of the problems that we face is Trump supporters believe that Trump is going to finance the entire campaign out of his pocket, so they don't have to reach in and donate.

The year-end numbers: DNC record haul and record cash. RNC....worse than anemic.

And you have all convinced yourselves that the billionaire does not need fundraising. In fact you squawk about DeSantis and Haley taking donor money.

Alan's meme of the week: Judge Judy: A woman will stop at nothing to get even. A man will simply walk away.

Bonus Meme:

Son: My dentist says bacon and soda works just as good as toothpaste.

Dad: That's Baking Soda.
