Justice Alito: You need an insurrection in order to be able to define it.

So far we have not had an insurrection yet.

I predicted that SCOTUS will throw this out at 8-1 or 9-0.

As MSNBC months ago, they were saying that there is no way this case would have any light.

The SCOTUS case does not have any darkness to it. It is a good case.

Miss Manners- Definitely tell them now is not a good time to talk on the phone when they call unexpectedly

Answer- Don't answer the phone. Its that simple.

The judge in the Trump Classified Docs case will have a very hard time not calling Joe Biden's as a witness to explain what he did different than Donald Trump.

The Democrats would like to withdraw Biden, they just don't know how to do it.

After the special counsel report, 81% of Americans think Joe Biden is too old to run for re-election. On the other hand, 59% believe Donald Trump is too old also.

A Palm Beach jury will not convict Donald Trump of a crime that Joe Biden is too weak to be convicted by himself. Such is the trouble we have made for ourselves.

RHINO Maryland Gov. Larry Hogan is running for U.S. Senate as a Republican. If you want to win the Senate you if have to vote for the RHINO because that's how Maryland is going to be in Republicans hands.

Alan's Rules: The worst Republican is better than the best Democrat.
