Congratulations to Donald Trump for winning the Three Caucuses / Primaries. Nikki Haley is no longer a threat. Please get rid of her, she has no purpose anymore.

Nikki if Trump goes down for whatever reason it's going to be DeSantis, not you. You should get out.

The Supreme Court has Decided to Hear Trump's Appeal in the Immunity Case. This kicks the calendar to probably end of June and therefore takes the case off the table. The decision will probably go against Trump, but the calendar break may allow him the space he needs to knock the Judge's schedule to near the election.

A great job for Mitch McConnell. It is not easy being the Majority and Minority Leader and he has been effective. He has also done it with class and hopefully the next Republican will know how to be the Leader. The job is very simple: "Get legislation approved."

Donald Trump, when you continue to say: "Vote in Person" you will lose. You must tell your people to vote by mail or vote early. It's that simple. People that say they will vote early or vote by mail are 16% more likely to vote than people that say they're going to vote in person.

Joe Biden is looking worse and worse everyday. He goes out there, stumbling and bumbling and falling up steps. America knows that he is not ready for 4 more years.

Austin Texas will vote Republican this year if you just focus on high crime and illegals. Imagine the GOP party if you can get Austin, to vote Republican.

President Biden, go run your Michigan plan supporting the Palestinians. You will lose Michigan big time.

Bibi Netanyahu confirms one civilian death for every Hamas terrorist killed. That is a phenomenal statement.

Trump leads Biden 48-43 in the The New York Times and Siena College news poll.. That says it all.

DC Court of Appeals ruled that many Jan 6th Defendants are entitled to resentencing hearings as there was no Enhancement for the January 6th defendants.

Who cares? And this just in. Nikki Hailey wins DC.

And finally the U.S. Supreme Court voted 9 – 0 to allow President Trump to stay on the ballots. I told you how it would go down.
