As of Saturday, Trump was up versus Harris. This is within margin of error. However, Trump, polls very poorly in a multiple person race. RFK is pulling Trump votes, not Harris.

Why was there no communication with Secret Service from local police on Saturday when Trump was shot?

Kamala believes in "Medicare for All." This would totally destroy Medicare, because everyone could take advantage of it and there's not enough premium to offset the expense.

I'll never understand a 10 minute speech like Joe Biden saying he's not going to run and three hours of commentary afterward.

I want to point out that the reason I was not supporting Donald Trump is because I knew that Joe Biden would not be the candidate and that Donald Trump would have a harder time against any other candidate that the Democrats put up. Fortunately Kamala is worse than Joe.

It's racist to notice that the only reason Kamala Harris is the Vice-President is because she's a black woman. Of course, Joe Biden picked her because she was a black woman.

Bomba Is a peanut butter based snack very popular in Israel with young children and they eat it as soon as they can eat solid food. Scientists concluded that Israel has almost no peanut allergies as a result.

Compare that to the rest of the world.

12 Arab children were killed in Israel by Hezbollah rocket attacks. I wonder what the Pro Gaza crowd is going to do with Arabs killing Arabs.

Butler County SWAT officers says there was no face-face meeting with the Secret Service the day of the shooting. This is totally outside protocols.

Ohio passed a one time exception to the early ballot so that in 2024 candidate lists were not due until September 1st. They are very upset that they're being blamed for the DNC wanting a virtual convention the first week of August.

Kamala Harris dissing Netanyahu Is responsible for the Hezbollah attack.. She is dangerous.

### **MEME of the WEEK"**

My mother and I don't discuss politics because she said I'm voting for Harris because she's a woman.

It's amazing that the left now knows what a woman is
