Kamala talking: Bread is fifty percent more than it was before the pandemic

Ground beef is fifty percent more than it was before the pandemic

Donald Trump: I'm Donald Trump and I approve this message

I believe the Democrats struck 3 million voters nationally and Republicans gained a 140,000.

Day One the Republican press covered the Tim Waltz story that his blood alcohol was .128 when he was stopped for DUI.

That story is just making it to the Democrat media

Most Americans think Donald Trump is too old to be president. That's what you guys did to us when you stuck us with him as the nominee. As John Sununu said, any other Republican would be up by 10 points. He will win it, but it will not be a blowout. Trump announces he's keeping the Affordab

le Care Act. So he's keeping Medicare. He's keeping Social Security and he's keeping the ACA. What are the Democrats running on? Oh, Project 2025 which he has not read.

The Norway representative to Palestine was told by Israel he can't work in Israel, he has to go to Palestine. He went home to Norway instead

Trump passed the law that insulin cannot cost more than \$35 a month. Biden put that law on hold and then rolled it out as his own.. It was Trump's idea, not Biden's.

Donald Trump must stay on message. If he speaks for an hour and meanders for ten minutes, the media picks up the 10 minute meander.

He must stay focused.

In Palm Beach County the Democrats were about 26,000 votes ahead of the Republicans because of vote by mail and early voting.

We really need to tell the story that Trump wants people to vote early or by mail..

I am old enough to remember when Richard Nixon got on television to say he was imposing wage and price controls. A freaking disaster brought upon by the Republican President.

Nixon was great for foreign policy, but lousy on domestic.

To get around wage and price controls they just gave something a new name like King Crab. They could charge whatever they wanted. If it did not have a new name, there were shortages,

Supermarkets have the most competition of any business. Their margins are 1% - 2%. Kamala think they're price gouging.

When Joe Biden began to speak it was 11:30 PM Eastern Time. He was already out of prime time. That's how highly they think of him

Biden did wrap Kamala into his message that he and her did everything together.

Go to Chicago, get a free vasectomy. What's the downside??

Meme of the Week:

We are pronounced dead when our heart stops.

Why are we not pronounced alive, when our heart starts?
