

Does it Look Like 2016?

I'm reminded of 2016 when I predicted Trump to win by a landslide. On the other hand, 2022 was supposed to be a wave election, yet we lost the Senate and only picked up a few seats in the House. So I'm afraid to make a prediction.

There are many indicators. I remember going into a pizza place in Palm Beach County and everybody was hemming and hawing but they all admitted they were voting for Trump.

We have the same thing now only more so. People that should support Kamala Harris are supporting Donald Trump. But we lost 2022, so I don't know.

A group has put up \$1 million to fund a LGBTQ+ parade in Gaza. This is brilliant because none of the people want to go to Gaza.

Teamsters is not endorsing Harris. This is huge for this union. Trump received 58% to Harris 31%.

I am noticing Trump's rallies are getting lots of young men and women. Not this way 4 and 8 years ago.

Trump's Long Island rally, alot of young people.

The estimated crowd at Uniondale was 50,000 people. Building capacity is 16,000.

Want proof that Kamala Harris is racist? The accents that she uses to every group can only be attributed to racism.

Was there a chemical attack at the Tucson rally? People sitting on the stage behind Trump had to go to the emergency room with vision problems.

Teamsters went from 37% Trump – 60% Biden. With Kamala the numbers are reversed.

Is it possible that people are lying to the pollsters, because they don't want to be accused of being racist?

1/3 of Democrats want Trump dead.

Ibrahim Aqil was involved in the 1983 bombing of the US Marines barracks. A \$7 Million dollar bounty was placed on him and Israel killed him. Do not expect a Thank You from Biden / Harris.

A Hezbollah terrorist is injured from the pager explosion. He goes to the hospital for treatment. On the way out, Israel kills him. Beautiful.

Israel reports: 879 Hezbollah members killed. 509 blinded and 1735 with damage to reproductive organs.

Over the next two weeks the Annual Notice of Change (ANOC) will be sent to Medicare Advantage beneficiaries. Companies retreating out of markets. Companies dropping prescription drug plans or increasing premiums. Increase in deductibles. Increasing copays. This year is a mess. Look at my ad if you want help to navigate the treacherous waters.

Mutual of Omaha has dropped all of their prescription drug plans for 2025.

A mayor in Wayne County Michigan, a 60% Arab area has endorsed Pres. Trump. There's a lot of area for disagreement, but under Trump the world was a much safer place. This is a major development.

To those that say how can you vote for Trump the way he has treated women? I ask: "When Trump was on the government payroll, were there any allegations of him being improper with women? The answer is always "No". When he was on his dime he could do whatever he wants. On our dime he was a perfect gentleman and that's all that counts.

JD Vance is very important on the Sunday shows. They don't like having him there, but Harris / Walls does not show up. He is devastating to: CNN, MSNBC, NBC, CBS and everyone else.

Nick Friedman was interviewing homeless people in Boston. 9 :1 Trump.

Kamala Harris received only 1.4 million views of the Oprah Winfrey episode.

Trump / Tucker Carlson received 154 million hits.

Kama Harris wants a debate on CNN. Trump should respond with: "We will do Fox News, where I get the answers in advance and they fact check you." Otherwise not interested.

Vivek Ramaswamy answered the question about racism backlash in place like Springfield OH. He said when you dump 20,000 Haitians into a 50,000 population and you cut services to the 50,000 people, cut jobs, have homeless vets, et cetera. There is going to be an adverse reaction to the Haitians from the existing community.

Kamala Harris will not attend the AI Smith dinner, put on by the Archdiocese of New York. This is a big event. The candidates roast each other in a lighthearted way. Not showing up is a kiss goodbye to a lot of the Catholic vote.

In Pennsylvania, North Carolina, and Florida, request for absentee ballots are way down. In PA, in 2020, Democrats received 1,940,836 absentee ballot requests, while Republicans received 772,318. So far this year: Democrats - 841,428, Republicans - 347,270.

In Georgia 1.7 million requested absentee ballots in 2020. This year it's only 153,000 to date.

Pennsylvania mail ballots are required to have the completed ballot in by 8:00 p.m. November 5th. A postmark is not sufficient.

Black Harris supporter in Detroit, saying she's knocking on doors and they're voting for Trump. Even the Muslim Community is voting for Trump or 3rd party.

The Annual Announcement of Change is in the Mail

Medicare Advantage beneficiaries will receive ANOC's over the next few weeks.

Please pay attention to them. Some companies will stop writing in a zip code or a county. Others are a no longer writing anywhere in the country.

Higher deductibles, co-pays, max out of pocket limits as well as cutting benefits are Kamala Harris / Joe Biden's reality.
