The first thing Trump should do as president is break up the news networks. His Justice Department sues the media and argues that the First Amendment does not allow them to bury stories in collusion with each other.

It will take four years to get to the Supreme Court but it would be earth shaking.

Kamala did not receive a bump from DNC. That means she is in real trouble.

Pennsylvania Democrats have lost 330,000 voters since 2000 and Republicans have only lost 1400 voters.

I want Republicans to stop doing flotillas. You want to do one, that's great, but when you do a whole bunch then people spend their weekends on yachts and nobody gets any work done. Get people to the polls. Get them to vote by mail, or early voting.

The problem when you don't do any interviews is they let you do one and you blow it. Then you're not getting any practice in front of live groups. Trump talks to anyone, anytime.

Maricopa County has 50% of all the voters in Arizona. Democrats are down 72,480 while Republicans are up 1,914.

Even though Kamala has agreed to the ABC News terms, I think she's trying to get out of the debate. The only way to do that is she has to take over the presidency, and then say she's too busy to debate. She would need to 25th Amendment Joe Biden.

Joe Biden and Kamala claimed that it was Donald Trump that blocked the border bill. The truth is Joe Biden never met with any Republicans over the border bill, and all the test votes failed.

Kamala was up ten points in Minnesota before picking Tim Waltz. Now she is up 5 points.

What is wrong with Kamala. You don't pick a fight with Gold Star families. Guaranteed to lose. The Abbey Gate Goldstar families made a video that is absolutely devastating to Kamala's campaign.

Kamala Harris told Israel don't go into Rafah. This delayed Israeli operation by months. The 6 hostages recovered were killed within 48 – 72 hours of finding their bodies. Although Kamala is not responsible for their deaths, her actions have endangered American and Israeli lives.

I think Israel needs to go bomb some Iranian refineries and say we're going to carpet bomb Tehran if they keep killing Jews. Not Hamas . Not Hezbollah. We go after Tehran.

One of the reasons the Palestinians can't negotiate is Israel killed off the negotiators.

Biden is going to end the year campaigning for Kamala. Kamala is trying really hard to say she's not Joe Biden's puppet and Joe Biden is going to spend two months next to Kamala saying she is.

The US DOJ has filed charges against Hamas for the October 7th massacre.

I'm sure they're quaking in their boots?
