Joe Biden said he delegated everything as Commander-In-Chief to Kamala Harris, including: foreign policy and domestic policy.

Is Trump a racist? People try to point to a 1970s lawsuit with DOJ. There was no admission of guilt and many landlords were targeted. People put themselves on a waiting list which is what kept the black applicants from getting apartments.

There are four main issues to this election:

- 1) Economy
- 2) Border
- 3) Peace in the world
- 4) Crime

These are the issues to talk about every day.

Republicans are not talking about why Joe Biden is still the president? Why didn't Kamala do her constitutional duty? Inquiring minds want to know ?

If Trump loses he might go to jail. If it takes \$200 million more to win, he should lend it to the campaign.

They came for the LGBTQ+, and I stood up because love is love. They came for the immigrants, and I stood up because families belong together. They came for the blacks, and I stood up because black lives matter. They came for me and no one stood up because I am a Jew.

Gallop does a survey and Republicans are plus three. They expect Trump to win.

I think Biden knows Kamala is going to lose based on internal polling, and he wants to say: "I told you so."

Another day another dose of word salad. You realize she made word salad famous.

Charlie Kirk is doing a great job on the college campuses. He's doing voter registration and thousands of people are showing up for these events. The Liberals are going nuts because now it's fashionable to say: "I'm voting Trump."

Harris had two words of the day in her segment with Stephanie Ruhl. "Inspiration and Holistically." She is really bad at this .

In Rafah, Israel killed 2000 terrorists and about two dozen civilians. The civilians died because of the explosions from rockets and munitions when Israel hit them. And Biden said: "Don't go into Rafah."

747,000 people have been removed from North Carolina voter rolls.

The Appellate Division of the Supreme Court heard the arguments in Trump v James. This is Trumps civil fraud appeal, with a \$454 million verdict. Based on the questions asked by the judges, the case may disappear, or be reduced significantly.

Kamala's interview with Stephanie Rhule had 1.738 million viewers. Igraham Angle had 2.2 million viewers.

In Virginia, the Republican vote by mail is up, over 200%

If you get a mail ballot back immediately, the party spends no money chasing you. If you wait till election day, the party has spent over \$100 chasing you. Get those ballots in quickly.

Of course, Tony Blinken is still saying we want to negotiate peace talks.

MSM – Okay, maybe we lied about Biden's health, and Covid, and the laptop, and January 6th, and Ukraine, and Epstein, and Hollywood. But trust us when we tell you, "Trump is a threat to democracy."

The U.S. did not receive advance notification of what Israel was planning to do with Hezbollah. I wonder why?

I watched someone go around college campuses asking if a man would donate one testicle to help a trans man. Almost everyone said yes. These people are insane.

Kamala Harris approval rating is now 50%. This is not a good sign.

I think North Carolina is over. People are not going to get from FEMA what they need as quickly as they need it. They will be very angry at the President and Vice-President of the United States. You don't recover quickly from this kind of betrayal.
