Well Kamala Harris would not pick the Jew that might have guaranteed her the election, Donald Trump is visiting the grave of the Lubavitcher Rebbe. This shows a level of respect and reverence to the Jewish community that is unmatched by any other act.

Also, if you're going to get one dead person to vote for you, it's the Rebbe.

Most people pay no attention to politics because it does not change their life. This election is different. It is about high costs and things being unaffordable. People are being hurt and so, they're actually paying attention to the election.

North Carolina Democrats had a 400,000 advantage in 2020. In 2024 that advantage is a little over 100,000.

Why would Kamala Harris go on The View, and when asked, say there is no difference between her policies and Joe Biden's. She cannot think of anything she would do differently. She has been campaigning that she is not Joe Biden and then when asked the question directly, she capitulates.

I'll tell you what happened. Biden said that if you do not support 100% of everything I have done, I'm going to endorse Donald Trump. He's already worn a MAGA hat. He is angry because she pushed him out. He said he would make a better candidate than she would, and he might be right. So when asked, she said: "I would not do anything different."

Kamala Harris got into a war with Governor DeSantis that did not go well. She gave a whole speech on how he was ducking her calls and playing politics. DeSantis said that he did not even know she called, he's quite busy, she's playing politics, and she has nothing to do with the federal response to the hurricane.

Then Angry Joe cuts off her legs by saying that DeSantis talks to him all the time, he has his personal phone number, and is doing everything possible for the People of the State of Florida. Thank you Joe.

I think Kamala would like to 25th Amendment Joe, but the cabinet would rather have a senile POTUS then an angry, unstable one.

Notice the silence on the mainstream media to credible claims of Doug Emhoff hitting his girlfriend so hard that she was spun around. They also claimed that he ran a business where he treated women as playthings. Why are we not hearing about them.

I am convinced that word is that Kamala is going to lose, and the MSM and Joe Biden are allowed to take her down. Even Time Magazine wrote a story that Kamala cannot keep dodging interviews. It will hurt her.

On this date in 2020 Biden was 7.1% ahead of trump in Pennsylvania. He won the state by 1.2%

Most credible polling info I have read says 61% of pollsters adjusted the methodology from 2016 and 2020 so the 2022 error rate was much lower, and that is why the Red Wave never happened. Or, very simply: "Nobody knows what's going on."

Prayers for the people that are missing or displaced from North Carolina, Florida, Georgia and others, from Hurricane Helene and Milton.

Governor DeSantis would not let himself be used like Chris Christie was with Barack Obama. Christie had to kiss Obama's ass, while DeSantis tells Kamala: "I don't have time for you, I'm busy."

Ami Horowitz went to a pro Palestine rally and the people there actually believe that Israel killed their own citizens (1200) so they can wipe out Hamas.

Republicans have 350,000 more voters than Democrats in AZ.

As we get into the home stretch I will not talk about polls. I will talk about indicators. Indicators are real-time statistics about who votes and not about who will vote.

I keep saying that in 2022 we expected the Red Wave and we got nothing. I am reminded that Trump was not on the ballot in 2022.

The election in Florida I think is over. Democrats have received 193,000 mail ballot votes, Republicans 163,000. Republicans have requested 900,000 mail ballot and DEMs only 1.1 million. If all the ballots come in, they will have a 200,000 advantage. We have a 1,055,000 advantage in registrations that will vote on election day and early voting.

There was a video from the Coachella California rally. It shows the line not trying to get into the event, but just that wanted to see the Trump motorcade. It stretched for miles.

We're not flipping California but the Democrats are wetting their bed.

In 2016 Donald Trump spent the last month coming from behind to beat Hillary. Here he is even with Kamala, three weeks out.

Michigan requested 3.3 million mail ballots in 2020. In 2024 they requested 2.1 million.

Wisconsin requested 1.4 million mail ballots in 2020. In 2024 it's 500,000, to date.

Nevada voter registration 593,000 Democrats to 574,000 Republicans. In 2020. 689,000 Democrats 602,000 Republicans. The winning margin was 33,000 in 2020.

JD Vance has written the book in attacking the media. Martha Raddatz: "The incidents were limited to a handful of apartment complexes. A handful."

JD Vance: "Do you hear yourself? Only a handful of apartment complex were taken over by Venezuelan gangs. and Donald Trump is the problem not Kamala Harris's open border.
