Seniors are finding out how badly Medicare has been cut by Biden / Harris. They are wondering if there are any alternatives. Please see my ad at the end of the column.

Kamala is still pushing Project 2025, even though Trump has not even read it. The difference is CNN is fact checking her on it and saying that Trump has no idea what's in there.

The Fox News interview with Brett Baer was a disaster. Basically: Trump, Trump, Trump, Trump, Trump..... She will not do another real interview again.

Gallup puts out a poll, that has been very effective in predicting the national vote winner. It uses identification of Republicans and Democrats and leaning Republican and Democrat. Trump is plus 7 in this, which means he might win the popular vote by 7 points.

In Arizona, MSNBC could not find one person in Mohave County in the early voting line that was voting for Kamala Harris.

Israel killed Yahya Sinwar. This would not have been possible if Joe Biden and Kamala Harris kept Israel out of Rafah. Am Yisroel Chai. The Children of Israel shall live.

There were 300,000 votes cast in Georgia on opening day and only 100,000 came from the Atlanta area. This is telling me that the Democrats are not voting.

Minnesota is in play. Latest polls have Harris up by only 4 points.

American support for deportations, has now grown to 67% .

Maricopa County had 9800 more Republicans register after October 1st.

Pennsylvania went from Democrat +7.5% in 2020 to Democrat +3.6 in 2024.

In one week the Pennsylvania advantage was cut by 15,000 people registering Republican.

We are now 14 days from Election Day, and Kamala is still testing different messaging ideas. Meanwhile Trump is driving the get out the vote crowd, which is what you should be doing fourteen days out.

If you have a flotilla or a car rally make sure it ends in a voting booth, so everyone can vote.

With 15 days to the election, Arizona is + 8 Republican in early voting. In 2020 Democrats were +5.

Kamala is in a Doom Loop. The worse the polls, the more interviews she has to do. The more interviews she has to do, the worse the polls.

Biden / Harris, has not made a good foreign policy decision in their careers.

A drone from Syria hit Bibi Netanyahu's house. Nobody was home. You can expect major payback. I predict Thursday or Friday which is the anniversary of October 7th on the Jewish calendar.

In Georgia, Republicans are out voting Democrats. Republicans have 425,000 ballots to 400,000 for Democrats.

Charlamagne Tha God has 5.6 million subscribers. The episode with Kamala Harris after 2 days had 483,000 viewers. When Trump does a show, he brings an audience to the show.

On Saturday morning, two articles appeared. Harris berates campaign manager for 30 minutes. This was about the advice not to go to the AI Smith dinner. Second, Pennsylvania leadership yells at national leadership for not being up to snuff. The media reporting on campaign infighting shows they are turning against each other.

In 2020 Trump lost Pennsylvania by 80,000 votes. 141,000 Republicans requested mail ballots and never sent them in. In 2024 Republicans are up 90,000 ballots, and Democrats are down 40,000.

Republicans now in the lead in North Carolina early voting.

Remember, Democrats do not have a strategy to get people to the polls on Election Day. They figured they'll get to the polls before Election Day. That is why if we keep it close, we take the lead on Election Day.

On Saturday, she agreed with the protester that there was a genocide in Gaza.

Trump serving french fries at McDonald's, and JD Vance pouring beers in Green Bay. Republicans are loving this.

Not counting the people that saw Trump on the news or other outlets, 15 million people viewed him serving french fries on: tic tock, youtube, X, Instagram, etc.

At the Steelers – Jets game in blue, Pittsburgh, even before Trump was announced, the whole stadium broke into: USA, USA.

Voting at this time in 2020 in Clark County NV, it was Democrats +7. 2024 it's Republicans +18.

Democrat, Senate candidates are running Pro-Trump ads. Therefore even though Trump is down in the fundraising, you have Democrats spending money touting his record.

Washington Post poll: who would do a better job of defending against threats to democracy: 43% Trump / 40% Harris.

Florida October 21, not counting early voting, Democrats 500,000 Republicans 427,000. It looks like 2022 all over again in Florida.

Meme of the Week: Trump requested time-off to attend his rally's for next two weeks. The request was denied by the McDonald's manager.
