There are two kinds of people. Those that when they get pulled over make a phone call, and those that when they get pulled over by the police, hang up the phone. The ones that hang up the phone get more verbal and written warnings. Those that make phone calls, wind up with tickets.

According to the Gaza Ministry of Health, which is Hamas, since the beginning of the war there were: 32,000 deaths of men age 15 to 65. 12,800, children under 15. 12,000 women, and 3,000 were elderly 65+. We do not know how many terrorists there were, but women and children can be terrorists. Remember, the Ministry of Health always inflates their numbers.

I have been saying for 15 years, that a pension crisis is hitting America. It's a \$1.3 Trillion crisis and the public employee unions of Ohio is ground zero. They're between \$20 Billion and \$30 Billion dollars in debt. The assets are underperforming. When you add to it all the major cities where people are leaving, you have the tsunami.

When Hamas put out the video showing starving hostages, it silenced the media on talking about the Gaza aid crisis. I guess some sites can't be unseen, like starving hostages digging their own graves.

Netanyahu: “You will not have left the Nazis in Berlin in 1945. Neither will Israel leave Hamas in Gaza in 2025.”

Trump has new approval numbers after the Russian summit. They are sky high. Approve 54%Disapprove 44%.

On 9-11, 24 Canadians were murdered and Canada joined the coalition to go after Al-Qaeda. 8 Canadians were murdered on October 7th. Canada has decided to side with the murderers. What a difference 20 years makes.

Guy throws a Subway sandwich at a federal officer. Janine Pirro is bringing felony charges against him. He works for the DOJ, but I don't think that will last.

In 2023 a survey by Media Research Center found: 67% of young adults (18 to 24) say that social media is their primary new source.

According to Marco Rubio, the Muslim Brotherhood will soon be designated as a terrorist organization.

95% of the homicide victims in DC for 2024 and 2025 are minorities. I guess Trump is really racist.

President Trump is believing that in 30 days he can make DC so nice and livable that the residents will want federal control to continue. In other words the Democrats in DC are going to start demanding that Democrats vote to keep federal control and make Washington beautiful and safe, instead of the sh#thole it is today.

According to Christy Noam: “1.6 million illegals have voluntarily left the United States.”

There's no question the black grandma's of Washington DC are loving President Trump. The Democrats are going to have a hard time voting against this.

Trump wants peace, therefore the Democrats want war. They're actually protesting the peace talks.

If Trump declares war on cancer, they will be for cancer.

A new study shows: Good looking women are more likely to be right wingers. Angry and bitter women are more likely to be left wing.

According to Trump, 275,000 people have been removed from Social Security roles for being illegal. The Democrats say, there are no illegals on Social Security.

If Trump wants to get criminals out of Washington, he needs to send Congress home.

I've always said that Israel should do reverse boycotts. You can't get Israeli products in countries that boycott Israel. Really simple and if people die, it's not our problem.

As everyone knows, Putin said that Russia would not have invaded Ukraine if Trump was the president.

Likewise Hamas would not have gone into Israel.

The Big Beautiful Bill has a \$250 per person visa integrity fee. It is refundable but only at the expiration of the visa which is 10 years . As far as most people are concerned, it's not refundable. I think there will be a lot of people not wanting to come to the United States to pay this extra \$1,000 tax for a family of four.

Two years ago the mayor of DC asked Congress to activate the national guard to deal with crime. I guess Trump listened.

The Playboy corporation is moving from California to Florida because the CEO of Playboy says California is: “Hostile to business.”

44% of DC residents are black. 100% of the protesters are white. What does that tell you?

It looks like Israel has decided to have an air and sea blockade of Yemen. This is the only thing that will work.

Europe and the United States are united. If Putin does not make some moves, then the EU and US will be sanctioning Russia. The sanctions will be draconian for Putin.

Strength is the only language he understands.

California gave illegals truck driving licenses. Perhaps Florida's Attorney General and the families of the people that died in the crash can sue California for \$100 Billion.

One of my friends was on a cruise ship, and goes to the lady's room. A woman said that there's are no more paper towels, and it was Trump's fault. This is how bad TDS is.

Meme of the Week:
