In **Palm Beach County, Florida**, in **December 2021**, there were **402,000 Democrats** and **281,000 Republicans** registered.

In **December 2025**, it's **308,000 Democrats** and **293,000 Republicans**.

You don't hate Jews because you think it's a genocide. You think it's a genocide because you hate Jews.

Never pay attention to what Trump says — watch what he does.

It looks like we're having a **Greenland deal**. All the hours spent on TV parsing every word like it matters. Watch his actions, not his words.

A person has a removal order signed by a judge. Do they then need a judge's order to go into a house, or can ICE do it on an administrative warrant?

I think ICE will be stopped at the district level, but the Supreme Court will allow them to go in, as a person has no right to be in the United States and therefore is not entitled to the protections of the United States.

Obama made you buy health insurance or pay a fine. Biden made you take a shot or get fired.. And you tell me that Trump is an authoritarian dictator.

The House and Senate are making a big deal of a **January 30th shutdown**, especially with a snowstorm coming. It's really simple: There will be unanimous consent to a **5-day CR** if they need it. No reason to go crazy.

I told you last week that **Minnesota will become worse and worse for protesters**.

A protester with a gun was killed. These pictures are not going to look good on the 6:00 news. People will turn against the protesters — except in Minnesota, where they're all crazy.

Liberal: Toxic masculinity is a problem.

Conservative: **43% of boys are raised by single mothers, and 78% of teachers are female**.

Liberal: So?

Conservative: So toxic masculinity is not the problem. **Lack of masculinity is**.

This is probably the week the fireworks begin to fly in Iran. We shall see.

The answer to the ICE issue is to **fund the government for six weeks**. Let's hold hearings on ICE and let the American public decide.

Remember, unhinged in Minnesota bit a finger off an ICE agent. I bet you're not seeing it on the 6:00 news?

The last body of an Israeli hostage has been found in an amazing operation. The Jewish State Will go to a remarkable length to bring a hostage back dead or alive. No other country would do this.

**Meme of the Week:**

"My wife and I don't argue. We just discuss things until she realizes I was wrong."

**Bonus Meme:**

"We've been married so long that when one of us forgets something, the other forgets it also."
