

Aliens Must Carry Their Papers

Do citizens walk around with papers?

NO...But according to 8 USC §1304, “every alien 18 years of age and over shall at all times carry” an alien registration card or receipt card. In other words, **non-U.S. citizens are required under federal law to carry papers at all times.**

A 50-year-old U.S. Army veteran (honorably discharged) is being deported, with a removal order from 2014.

When my wife was an immigrant applying for a green card and citizenship, I checked everything online. How do you get a removal notice and ignore it? This case needs more examination before jumping to conclusions. You have one green card, guard it with your life

Attention Liberals: ICE is now using trains. Please stand on railroad tracks to try to block them.

GAZA / MEDIA / FACT CHECKING

The Gaza videos are amazing—showing children in two feet of snow freezing. It “hasn’t snowed in Gaza in 40 years”? But nobody does research anymore.

OBAMACARE / HEALTH INSURANCE

Because of the DHS bill fight, extending enhanced Obamacare subsidies may die out. Most healthy people left for private insurance or health shares, leaving only the truly sick in the Obamacare market. Something has to be done to help the truly sick—while letting the private market handle everyone else.

POLITICS / ELECTIONS / PARTISAN CULTURE

This election is peeling away normal Democrats and pushing them to vote Republican.

Liberals only pretend to care about the downtrodden—they only care about themselves.

Older people protest because CNN’s audience is basically 60+ with nothing better to do.

Democrats pushed for death certificates to be accepted as voter ID.

It looks like there were **3,200 illegal voters** identified in Alabama—and this is a red state.

GAZA / AID / HAMAS / UNRWA
A company that was going to bring in **150,000 gallons a day** of drinking water to Gaza, owned by a religious Jew, was blocked by Hamas and UNRWA.

Why? Because they don’t want anything good for their people.

LAW ENFORCEMENT / MASKS
Can there be a law barring law enforcement from wearing a mask?

Sure—if you also want a law saying that if you ask an officer if they’re a cop, they have to answer truthfully even if they’re undercover. Do you see the problem?

Judge rules against California on the mask issue.

OLYMPICS / CULTURE

I’m not much for the Winter Olympics. I can’t get into curling.

Apologies to the curling aficionados.

70,000 people died in Gaza during the war. Hamas is going to pay 50,000 of them lifetime benefits. Is this Hamas saying that 50,000 people were terrorists or Hamas supporters?

Why are women evacuated first in a disaster?

So men can think of a solution in silence.
